Sticky sausage and potato traybake

Ingredients

4 tbsp vegetable oil

8 pork sausages, separated

1-2 medium onions, cut into thick wedges

1 large red pepper, deseeded and sliced

650g / 1lb 7oz potatoes, halved lengthways and cut into roughly 15mm / 5/8in slices

3 tbsp runny honey

4-5 tsp wholegrain mustard

1/4-1/2 tsp dried chilli flakes (optional to taste)

100g / 3 1/2oz frozen peas, fully thawed (see tip below)

salt and ground black pepper

Method

Preheat the oven to 220C/200C Fan/Gas 7. Put the oil, sausages, onions, peppers and potatoes in a large baking tray or shallow roasting tin.

Season with a little salt and lots of freshly ground black pepper and toss together.

Roast for 20 minutes. Take out of the oven and turn the vegetables and sausages using tongs or a couple of forks.

Return to the oven and cook for 15-20 minutes more or until the potatoes are tender and crisp in places and the sausages are nicely browned.

Take the tray out of the oven once more, drizzle the honey over the sausages and dot the mustard over the vegetables.

Gently toss together. Sprinkle with the chilli flakes if using, then scatter the thawed peas over the top and return to the oven for further 5 minutes or until the honey melts and the sausages are sticky.

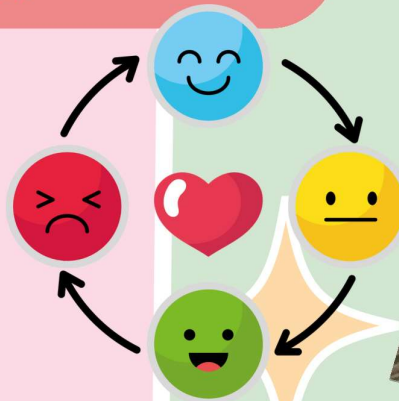

KS1

What a wonderful start to the school year in 1B! We have been very busy having lots of new experiences with our new friends and staff, in our new classroom. In English we have loved practicing our fine motor skills through water play, playdough and mark making. We have been practicing our voice sounds in Phonics, and some of us found the snoring sound very funny. It's been so lovely to sit and share books during Reading time, and we can't wait to read lots more!

KS2

2E Have immersed themselves in the Gruffalo story this week. They have enjoyed looking at the characters emotions and predicting what might happen next. They are looking forward to more Gruffalo fun next week!

KS3

EXPLORING GENRES

PIC-COLLAGE

In English 3B have been exploring different story genres. They went to the school library, and then identified what genre the books were. Everyone is looking forward to learning more about science fiction this half term.

KS4

This week, 4M embarked on a very exciting new project with their first visit to The Old Electric - a vibrant and creative arts space located in the heart of Blackpool.

Over the next six weeks, the children will be working alongside professional artists to help bring a magical story to life through the art of shadow puppetry. The project is based around a unique and enchanting tale titled 'The Acrobat Who Lost Her Way'.

The finished shadow puppet movie will be proudly showcased as part of Blackpool's Lightpool Festival, running from 17th to 24th October. This is a fantastic opportunity for our students to see their work displayed as part of a public arts festival, and we're incredibly proud of the hard work and imagination they've already shown. We can't wait to see the finished piece and share more about this exciting project in the coming weeks!

Students in KS5 began their volunteering in the community this week. They looked at equipment and health and safety for litter picking. They then began picking up litter out in the community. They were able to collect 4 bags of litter. Well done KS5!
