09.07.26- Summer Production 10am and 6pm

17.07.26- Break up for Summer term

03.09.26 - School opens for Autumn term

The Sixth Form students and the Dough on the Go team were thrilled to see their trailer design brought to life by Links Signage. It was an exciting moment to watch the fresh new branding being carefully applied, transforming the trailer into a vibrant and eye-catching feature that is sure to stand out in the community. Students enjoyed observing the installation process and took great pride in seeing their ideas become a reality, celebrating the teamwork and creativity that went into the project.

Congratulations
to 1H for 100%
attendance this week.
Whole school
attendance is 92.3%

Secondary Sports Day

Tuesday 16th June will be the Secondary Sports Day. The event will take place within the school grounds. Parents are NOT attending the event. Throughout the day all pupils will get the chance to take part in 5 fun sporting activities. Pupils can arrive to school in PE kit on the day.

A Different Way Festival at Blackpool and The Fylde College
Saturday, 11am-3pm

There will be loads of free creative activities for all the family including:
Dance performances
Theatre performances
Photography workshops
Art workshops
And much more... including FREE Pizzal

No tickets needed, just turn up, get stuck in and get creative.

DOUGH-ON-THE-GO

PCA Sixth Form at the Oracle

The pizzas were sizzling and Lee had his swizzle on today!
A huge thank you to everyone who came along, sat outside in the sunshine, and enjoyed watching our pupils hard at work. Your support means so much and helps makes it extra special.

Our Summer Special - Chicken Tikka Pizza - was a huge hit... we completely sold out! Thank you to everyone who stopped by, and we can't wait to see you next week, 2 weeks left!!!

LIMITED SPACES AVAILABLE

Our Duke of Edinburgh team have enjoyed being out on their expedition this week. The group have enjoyed exploring cathedral caverns, caves and tunnels taking on every challenge the weather threw at them. dressed head to toe in waterproofs they showed fantastic resilience, determination and teamwork throughout the trip. we are incredibly proud of their positive attitude and perseverance.

Well Done!!!

Congratulations!

Tyler has worked really hard to successfully complete his Independent Travel Training

Well done, we are very proud of you!

The Travel Trainers
Jo & Andrea

Posh Salmon and New Potatoes

Ingredients

400g peeled potatoes, drained and patted dry with kitchen paper

Spray oil

Salt and pepper

4 skinless salmon fillets

2 teaspoons Dijon Mustard

4 tablespoons of breadcrumbs

2 teaspoons chopped fresh dill, plus 2 teaspoons for the tartare

2 teaspoons chopped fresh parsley, plus 2 teaspoons for the tartare

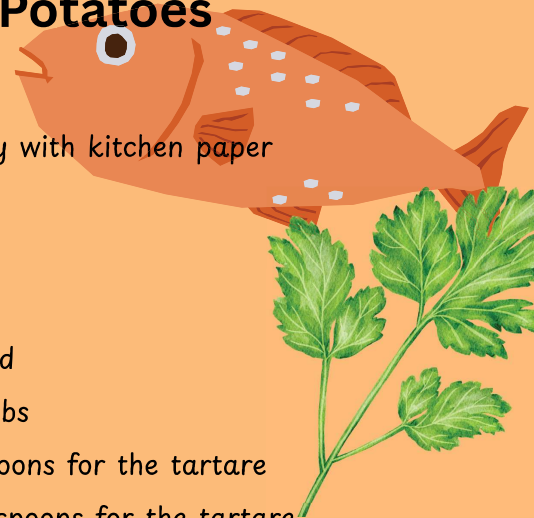

200g frozen peas, defrosted

3 tablespoons very low-fat mayonnaise

1 tablespoon capers finely chopped

1 pickled gherkin finely chopped

Zest and juice of 1 lemon

1. Put the potatoes into the air fryer basket and heat to 180*c. Spray with oil and season with salt. Cook for 20-25 minutes, shaking halfway through, until golden and crisp.
2. Meanwhile, brush the top of each salmon fillet with ½ a teaspoon of Dijon mustard.
3. Mix the breadcrumbs with 2 teaspoons of chopped dill and 2 teaspoons of chopped parsley, season with salt and pepper, then push the crumbs equally on to the salmon fillets - the crumbs will stick to the mustard.
4. Put the salmon into the air fryer basket in a single layer and cook for 8-10 minutes, or until cooked to your liking.
5. Put the peas into a sieve and pour a kettle of boiling water over them. Drain them really well, then tip into a serving bowl. Add the mayonnaise, the extra 2 teaspoons each of chopped dill and parsley, the chopped capers, chopped gherkin, lemon zest and juice and lots of seasoning. Serve immediately.

We made a posh salmon and new potatoes meal in the air fryer and it was "absolutely gorgeous." The potatoes came out lovely and crispy while the salmon was soft, flaky and full of flavour. "I had never eaten salmon before, but I really enjoyed it" another pupil said "I was surprised by how nice it was."

Absolutely gorgeous, really tasty, and surprisingly simple to make - we'll definitely be having this one again.

Star of the Week

1B -Elijah for lining up and making a pattern with the soft play balls.

1H -Kimberley for her brilliant fine motor skills when using pippets to paint her sea creature.

1M - Lucius for completing a jigsaw with some adult support, he showed great resilience and determination, well done!

1N - Cameron for this progress in recognising and ordering the days of the week!

1W - Alfie for being so involved sharing experiences and exploring messy play!

2B -Toby for his amazing Humanities work, breaking codes like Alan Turing.

2E - Ethan for his fantastic great times of self regulation skills.

2G - Kya for a fabulous attitude practising his times tables and passing his year 4 test with a fabulous score.

2M -Lily for fantastic communication, requesting and commenting in a range of lessons.

2P - Reggie for sitting independently during circle time.

2R - Shaniya for positive behaviour in class, following the PCA way and improved communication skills.

2W - Ellie for being so resilient and for following the PCA way.

Achiever of the Week

3B -Sienna for her enthusiasm for our new English topic.

3C - Archie for showing fantastic presentation work this week.

3H - River and Jensen for showing positive attitudes to learning and consistently following the PCA way all week!

3J - May for showing outstanding resilience this week.

3L -James for making excellent progress with his Phonics assessments.

3P -Charlotte for her help and excitement towards our new library section opening.

3W -Tyler for completing his travel training, we're so proud of you!

3R - Bradley for his excellent knowledge during Humanities and for always being inquisitive.

3T - Kudzwashe for continued work with our therapy dog Daisy.

4H - Rebeca for showing resilience and maturity this week.

4M -Maisie for showing fantastic effort in all lessons this week.

4S - Bella for taking responsibility to input her carbs into her Omnipod programme and showing great maturity.

4T -Rory for taking on additional duties this week.

4W - Tegan for successfully completing so many new jobs and tasks this week.

5I -Jamie, Liam and Alexis for being adventurous at Bendrigg.

5J - Emire and Tamara for their determination on their D of E Expedition.

5M -Anna for working hard on her Food and Hygiene certificate.

5B -Ellie for trying hard counting numbers in Maths.

Classroom News

KS1

1B have been developing their oral motor skills blowing bubbles. We've had so much fun using different shaped and sized bubble wands.

"Dip in the stick, and gently blow
See how they dance, watch how they go!"

PIC•COLLAGE

Over the past few week's pupils in 2P have been exploring Goldilocks and the Three Bears in Drama through a range of sensory and interactive activities. The pupils enjoyed role-playing key parts of the story, developing their imagination, engagement, and communication skills. They made and tasted porridge, explored different textures, smells, and tastes. The pupils also acted out key action words from the story, including sleeping, eating, running, and sitting, supporting their understanding through movement and play.

Throughout the activities, the pupils were encouraged to express their likes and dislikes using facial expressions, communication boards, and symbols. These experiences provided opportunities to make choices, share preferences, and engage with the story in a meaningful and enjoyable way.

It has been lovely to see the pupil's confidence grow as they explored this familiar tale through hands-on activities, movement and sensory experiences.

PIC•COLLAGE

KS3

3L are busy working behind the scenes now in preparation for the upcoming Summer production.

Everybody is pulling together with rehearsals, making costumes and props all being carefully produced to make this year's show better than ever. Go 3L!

KS4

Pupils in Class 4W and 4T have created their own Job Agency to develop their work skills further "Team Westbury Facilitators". With a brand-new Logo created by the pupils along with a list of jobs they can do, lots of preparation has taken place. After writing their own risk assessments and completing training in manual handling, COSHH and GDPR the team have been out and about completing real life job tasks. They have been recycling, helping to prepare our outdoor Hive classroom, cleaning the outdoor spaces for our younger pupils, organizing the lost and found items, organizing food parcels, and what a great job they have done! However, one essential work skill has come in very handy 'Brewing Up' for each other after the job is done! Well done Team Westbury Facilitators!

KS5

Our sixth formers have been helping in the Eco Garden at St Cuthbert's Primary School.

They have been weeding and watering the grounds to make it Summer ready.

They will be helping every week this term as part of their volunteering and work experience.
