Congratulations!

to Oscar 1H and Leland 4S who have won the £25 voucher for having 100% attendance this half term.

Please remember every day matters. Good attendance at school is important for your child's education.

Success Stories

Congratulations!

Jamie-Lee has worked incredibly hard and completed his Independent Travel Training!

Well done, we are very proud of you!
The Travel Trainers

A massive well done to the 5 fantastic pupils from PCA who proudly represented Blackpool FC Community Trust in the Lancashire Ability Counts football competition in Leyland. Showing incredible teamwork, determination and skill, the team won every single game and were crowned very worthy winners!

This year's annual Photography competition is back and the theme this year is 'In the Wild'. Held in memory of former pupil Jamie Wright, all pupils are invited to take photographs based upon nature, as part of our Outdoor Learning week.

How to enter -

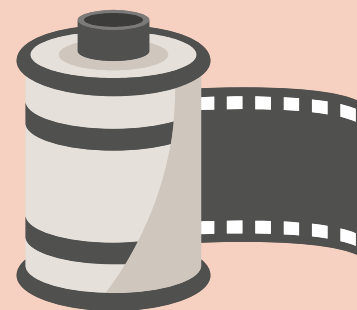

Take lots of photos using a camera or your phone.

Select your favourite photos (2 max)

Subject Jamie's Photo

Closing date Friday 26th June 2026 Good luck!

This week Mrs Hughes got to look around the stables and was very pleased with the progress that is being made on developing our new KS4 teaching block . The build is still on track to open early in October and we look forward t showing you around.

IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

We were so proud to see our pupil's fantastic work showcased at the Engineering and Innovation Centre for the 'If you were an Engineer' Lancashire Exhibition and Awards Ceremony!

As part of the competition, pupils designed and created their very own sensory toys, putting their creativity, problem-solving and engineering skills to the test.

Seeing their ideas displayed alongside other inspiring projects was truly special moment.

A huge congratulations to the 4 students who attended the 'If I Was an Engineer' competition at Preston University last week!

We are incredibly proud of you all for this fantastic achievement. Your creative and innovative designs around sensory toys truly showcased your imagination and problem-solving skills. They demonstrated the ability to think in new and original ways, developing ideas that could make a real difference to others.

You represented the school brilliantly and should all be very proud of yourselves. Well done!

Star of the Week

1B - Hela for being so smiley and engaging in cleaning the toy animals with some soapy water.

1H - Bezalel for fantastic engagement all week!

1M - Arianna for managing her self-regulation strategies brilliantly with the support of an adult.

1N - Karen for some fantastic attempts at communicating using her new ACC device.

1W - Isaac and George for their amazing tidying up skills!

2B - Aliylah for her increased independence and verbalising her needs.

2E - Ethan for making great progress with his behaviour and listening.

2G - Brody-Lee for completing his work and having a mature attitude.

2M - Sapphire for fabulous mark making and determination to finish a task.

2P - Jacob for using new sounds when making requests.

2R - Rylee for having a positive attitude during lessons and with his peers.

2W - Shelby for being able to recognise halves and quarters as fractions.

Achiever of the Week

3B - Millie for her excellent number identification skills in everyday situations

3C - Khaleesi for learning all the signs for the choir 's performance at Ribby Hall.

3H - Joshua for his enthusiasm, engagement and improved confidence in Maths.

3J - Alyssa and Chloe for working so well together while performing their poetry to the Oracle students.

3L - Riley for being more open to new challenges.

3P - Caitlyn for her super writing improvements.

3R - Zachary for his continued creativity and keen eye for detail.

3T - Isaac for being amazing in English

3W - Tommy for performing raps and poems with enthusiasm.

4H - Will for being resilient and having a positive attitude all week.

4M - Devante for being extremely positive and helpful all week.

4S - Leland for having a brilliant attitude and being very helpful throughout the week.

4T - Jensen for great work learning about investments in Maths.

4W - Charlie for her contributions to Science lessons.

5I - Callum for his extra effort in Cooking this week

5J - Lee for cooking and Jayden for cutting up the pizza during Dough on the Go. A perfect pair.

5M - Ronan for openly communicating when he finds something tricky.

5B - Paul for showing great initiative in our social game this week.

Classroom News

KS1

You scream, we scream, we all scream for ice cream! The weather might not quite be ready for summer yet, but we are in 1W. This week we enjoyed a summer themed ice-cream activity using yoghurt and cornflour to make oobleck that looked and felt just like melting ice cream! We added ice cream cones and sprinkles to the mix , everybody loved getting involved and a little messy!

KS2

To celebrate National Numeracy Week, 2R have transformed their classroom into a fantastic role play shop! The pupils have been busy developing their money skills and becoming more confident recognising UK bank notes.

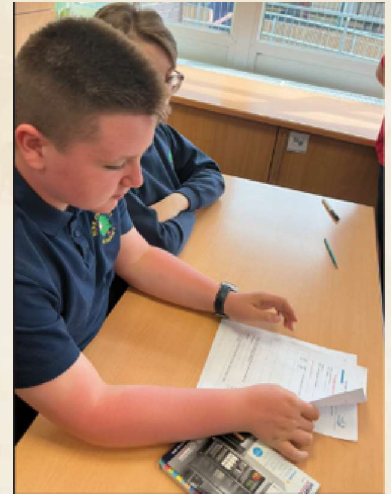

Everyone has loved taking turns as the shopkeeper, serving a queue of excited customers throughout the week. We even had a very special visitor — Mr Jones stopped by to buy some fresh fruit and vegetables from our shop!

The classroom has been full of enthusiasm, teamwork, and brilliant mathematical learning.

KS3

3P well and truly took on National Numeracy Week. We have been busy with all sorts of activities. From playground planning, live lesson fun and we even had our very own visit from Mrs Bickerstaffe, our school Finance Lead. She came to class on Tuesday and taught the pupils all about the entire process that goes into them having stationery in class. The pupils couldn't believe the forms and stages of getting products ordered, paid for and delivered. It was brilliant fun and they even got to have a go at ordering some products themselves! These will be utilised in our Key Skills lessons on Fridays!

KS4

Pupils in 4M did a great job tie-dyeing their own clothing. They enjoyed choosing colours, making patterns, and seeing how their designs turned out.

KS5

The Dough on the Go team had an amazing afternoon welcoming the wonderful pupils in 2W to The Oracle.

The pupils became pizza chefs for the afternoon, making their own pizzas and garlic bread, choosing toppings and watching them cook in our pizza oven led by our fabulous team.

The fun didn't stop there pupils used their Maths skills to cut their pizzas into halves and quarters before taking part in money roleplay activities inside our trailer. They practised counting money, working out totals and giving change while pretending to be shopkeepers and customers.

A huge well done to our fantastic Sixth Form students, who were incredibly mature, welcoming, friendly and professional throughout the afternoon. They supported the younger pupils brilliantly, helping to create such a positive and inclusive atmosphere. This was excellent hands-on work experience for them and another valuable achievement to add to their CVs as they continue developing important teamwork, communication and customer service skills.
