Classroom News

KS1

Whatever Next! This week in 1B we have been in a rocket wearing our space boots and space helmet, and counted backwards.....5,4,3,2,1.... Blast Off! We've had a picnic on the moon with our teddies, choosing the snack we would like using a communication board. We've waved hello to others. We've had so much fun with a cardboard box, where will our next adventure take us?

In 2C this week we have been writing instructions and testing them out to make sure we included all the steps required to successfully build a sandcastle! The classes were so focused with their writing, ensuring not to miss anything out, even the flag for the top. They then took to the tough tray to have a go themselves.

We also had our second week of swimming and everyone is being resilient, challenging themselves to learn new things and be safe in the water.

**BE
RESILIENT!**

KS3

This week 3C were invited to the Grand Theatre by the Royal Shakespeare Company to watch their version of The Tempest. 3C thoroughly enjoyed it and were able to point out the scene they performed at The Grand Theatre in March. Well done to Lottie and Lilly who also got through the auditions at The Grand Theatre and will be going to perform on Shakespeare very own stage in Stratford Upon Avon. Congratulations girls! "All the world is a stage and all the men and women merely players."

KS4

This week KS4 were fortunate enough to go to Chester Zoo to finish off their Entry Level qualification in animal care. They had an amazing time learning about how the animals are cared for and how the zoo helps to support the conservation of animals around the world. They had lunch on the lazy river, saw many unusual animals, explored bat caves and Madagascar and even tried to mimic some behaviours. All the pupils were exceptionally well behaved and represented school beautifully.

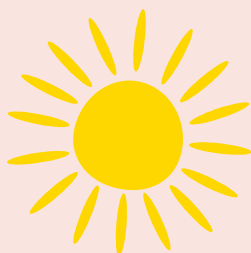

KS5

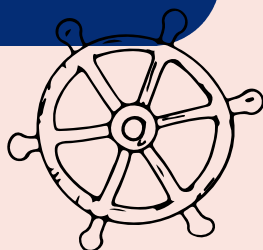

Our 6th form students enjoyed a fun-filled, two-day trip to London, packed with exciting experiences and iconic sights. Highlights included a walking tour past famous landmarks such as; the Houses of Parliament, Big Ben, Downing Street, St James's Park, Buckingham Palace, and Tower Bridge. Students also explored the vibrant atmosphere of Camden Market and successfully navigated the London Underground like pros.

A true highlight of the trip was seeing the spectacular musical Wicked, which left everyone amazed.

We certainly didn't go hungry, making the most of delicious all-you-can-eat buffets. The beautiful weather added to the experience, especially during our scenic River Thames cruise and ride on the London Eye. Students also loved watching the street performers in Covent Garden—three of our own even got involved in the action!

Thank you to all the staff and students who helped make this a truly unforgettable trip!
