

FIVE KEY SIP PRIORITIES

School Improvement Plan 2026–27

1

Embed consistently high-quality teaching and curriculum implementation across all phases, subjects and pathways.

2

Strengthen assessment and evaluation of learning over time.

3

Further develop leadership precision at subject, phase and middle-leadership level.

4

Embed a consistent total communication approach to improve access, engagement and outcomes.

5

Strengthen Preparation for Adulthood, transition, inclusive pathways, wellbeing and sustained independence across the school.
