

What can you do with a toilet roll??

Make a puppet.
Make a character from
the book your reading
and act out scene.

You could make more
than one character

So many different
animals. What's your
favourite animal? Think
about the time you
visited the zoo.

Castle or spooky house

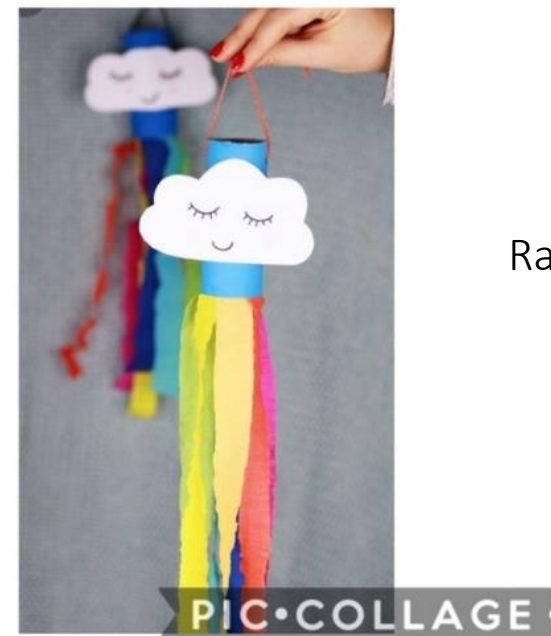

Marble run

Garage – to keep all your cars or you could put other toys in it like LOL dolls, Mcdonalds toys!

Rainbow

A colorful paper caterpillar made of connected segments. The segments are decorated with various patterns: a red segment with green spots and a face with two large white eyes and a red bow; a yellow segment with blue diagonal stripes; a blue segment with a red diamond pattern; a green segment with yellow oval patterns; and a red segment with green spots. The caterpillar is positioned diagonally across the page.
