work.

## SCIENCE

- \* identify common appliances that run on electricity
- \* construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers
- \* recognise the key functions of each part of a circuit.
- \* compare and give reasons for variations in how components function.
- \* use recognised symbols when representing a simple circuit.

## GEOGRAPHY

How has our local area changed over time?  
What have been the main changes to  
Blackpool in recent years?  
What do we think it may look  
like in the future?  
What have been the changes to  
our coastline? Why is that?

## HISTORY

Timelines  
Changes within living memory- The  
pupils own time line.  
How has Christmas  
been celebrated in  
the past? How do  
we know?
