## Key Stage 4

### WJEC Entry Level Humanities

Pupils in Key Stage 4 work towards an Entry Level qualification in Humanities. In order to provide some differentiation, all Humanities units are offered at Entry 2 level and Entry 3 level - pupils will be entered for the most appropriate Level. The learning outcomes are the same for each, but the assessment criteria are more challenging at Entry 3. As part of this qualification they have a dedicated Humanities lesson each week. The course is made up of different units, each with its own specification. The units that are covered encompass both Physical and Human Geography as well as History. Units that are currently taught at PCA include:

- A British Society in the Past (World War 1)
- A non-British Society in the Past (1920s America)
- Climate Change - causes, effects and responses
- Population Change in the UK
- Responding to tectonic events
- Threatened Ecosystems
- Changing trends in tourism
- Your Local History
- Choices and Decisions
- Community Action

### BTEC Level 1 Hospitality and Tourism

Some pupils in KS4 will work towards a BTEC Level 1 qualification in Hospitality and Tourism. This is a two year course in which pupils will achieve a Level 1 Award. As part of this qualification they have a dedicated BTEC lesson each week over Year 10 and 11. In each year 1 unit will be completed in order to achieve the award. These units are as follows:

Year 10	A2 Developing a Personal Progression Plan
Year 11	HT8 Exploring Travel and Tourism in the UK
