SCIENCE

Animals
In science we will be looking at animals in lots of different ways including different types of animals, how they move and communicate with each other, how we can group them, what their offspring look like, what their basic needs are and how to care for them.

HUMANITIES

In humanities this term we will be learning about The Stone Age through to The Bronze Age. This will include looking at the tools, food and the way children lived in each of the ages. Children will build up their historical vocabulary and look at some geographical settlements such as Skara Brae. They are also learning about archaeology and how we know about the past.

PHSE

Follow SCARF Units: Me and My Relationships and Valuing Difference.

Stone Age, Iron Age, Bronze Age.

MUSIC

This term in music, pupils are looking at the beginnings of formal notation, linking sounds to symbols and understanding that music has its own language. They will learn about music theory, copy back and improvise with rhythmic patterns and improvise using simple patterns that include basic rhythms. They will also develop their performance skills both in class and on the stage.

FRENCH

Where is France? Landmarks/ Geographical features, French Flag.
Greetings, saying hello, goodbye
and how are you?
French Christmas

ART AND DT

Art- Cave drawings looking at aboriginal art.
Primary colours exploring Piet Mondrian.
DT- Flip books to make moving pictures.
Story stone painting.

RE

EQUALS unit—What does light mean? Exploring Diwali, Advent & Hanukkah, with a focus on Judaism, Christianity & Hinduism.

Computing

Each class will follow the Multimedia: Text and Algorithms & Programming: Bee-Bots units from the PCA computing scheme of work.

PE

Invasion Games: Teamwork & respect.
Follow the Games units from the Lancashire PE scheme of work, which will focus on ball skills: kicking, throwing and catching, progressing to developing team skills.

DRAMA

In drama the focus will be storytelling, developing drama skills and techniques through reading familiar stories and performing them. The children will also create story maps, devise a story and work collaboratively as part of an ensemble.

LOT opportunities

Use a range of tools in the outdoor learning classroom. Carry out archaeological digs.
