

Park Community Academy - Recovery Premium Funding 2022-23

The recovery premium provides additional funding for schools in the 2022 to 2023 academic year. Building on the pupil premium, this funding will help schools to deliver evidence-based approaches for supporting disadvantaged pupils.

Pupil eligibility

The recovery premium will be allocated using the same data as the pupil premium. This means the following pupils will attract recovery premium funding to schools:

- pupils who are eligible for free schools meals (FSM)
- pupils who have been eligible for free school meals at any point in the last 6 years
- children looked after by local authorities and referred to as looked-after children (LAC)
- post-looked after children (post-LAC)

- 10 October 2022
- 10 January 2023
- 12 April 2023
- 10 July 2023

Monitoring and Impact Evaluation

As part of our commitment to ensuring accountability we undertake regular monitoring and evaluation as follows:

- Data analysis
- Pupil progress meetings
- Moderation of assessment
- Learning walks
- Learning discussions with pupils about their work
- Support and challenge for individual teachers
- Regular external quality assurance
- Annual Catch Up reviews
- Ongoing case studies
