13th January 2022

Dear Parents and Carers,

I am really pleased to be able to write to you all and let you know that currently the cases of Covid at Park Community Academy are very low. Therefore, following Government guidelines we are no longer restricting pupil mixing through bubbles.

From Monday 17th January, the full timetable will resume with pupils being taught by a range of specialist teachers and once again accessing specialist teaching spaces. Pupils will no longer need to come in to school in PE kit on their PE day as we will reopen the changing rooms in order to support the development of this important life skill. After School Clubs and Youth Club will also restart on Monday 17th January.

Please be assured that we will continue to monitor the situation carefully and will take any action should it become necessary.

All staff and Secondary/Sixth Form pupils will continue to wear masks as appropriate and are testing regularly. Please could we ask that you continue to test your child twice a week and do not send them to school if they are displaying any symptoms. Please contact the school office if you require any additional tests.

Thank you for your ongoing support as we manage this pandemic.

Mrs G Hughes
Headteacher
