Classroom News

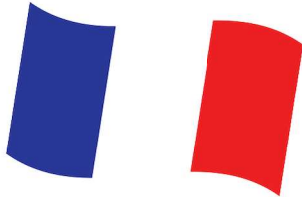

KS1

1S have been reading 'Mr Gumpy's Outing', and enjoyed lots of water play. We have rowed some boats, floated some boats, looked at lots of boats, made some boats and sent some boats down a ramp with a SPLASH!

KS2

In French lessons this week, 2W have been learning how to say different animals/pets in French. We have played Animal/Pet Bingo and tested their understanding by holding up the correct lolly stick animal when it had been spoken in French e.g.- Un Chien (dog).

In Maths, we have been following directions for left and right. We have performed the 'Cha Cha Slide' along with following instructions given by our friends such as 'Walk forwards one step, right two steps'. Try testing us!

In the hustle and bustle of our school lives, it's easy to overlook the simple moments of kindness. This week, we want to shine a light on one such heartwarming incident that epitomises the spirit of compassion and empathy within our school community.

KS3

A touching display of kindness occurred on Thursday this week. Kudzwaishe's favourite toy got broken and he was a bit upset.

What happened next warmed the hearts of all who witnessed it. Without any prompts, William, a pupil from a different class, went home, searched through his belongings and found a toy he thought Kudzwaishe would like. On Thursday morning before school started, William called into 3T and kindly offered his own toy to Kudzwaishe.

In that simple yet profound moment, William's act of kindness spread throughout the day. His selfless gesture transformed a moment of disappointment into one of thanks and friendship. As a school community, it's moments like these that remind us of the importance of empathy and compassion in our interactions with one another. They serve as powerful reminders that even in the face of adversity, kindness has the remarkable ability to uplift, inspire, and unite us all.

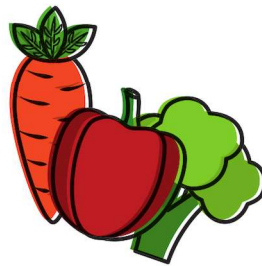

Let's take this opportunity to celebrate William's kindness and use his example as inspiration to spread positivity and goodwill wherever we go.

Thank you William.

KS4

In 4W pupils have been working towards their cooking qualification, pupils planned and cooked their favourite dishes from scratch, Everyone's food looked and tasted delicious.

KS5

Our Silver DofE group have had a wonderful 3 days and 2 nights on their practice expedition around Beacon Fell this week. They pitched their own tents, developed map skills whilst exploring the countryside, made packed lunches, prepared and served evening meals and even cooked noodles on a Trangia which were delicious! After over 10 miles of walking they were treated to an ice-cream. Everyone worked brilliantly as a team, supporting each other and are a real credit to The Oracle. They now can't wait for their final expedition in July!
