Sign of the Week

This week's sign is 'sport'. Well done to all pupils in the Primary department who had a fantastic sports day!

Thank you for your donations of cakes and toys for our stalls and everyone who sponsored the teachers bike ride. We managed to ride a total of 159 miles. That is the equivalent of Blackpool to Oxford. We have raised £154 for the charity. Thank you once again for your support.

PCA Brass Band

Members of PCA enjoyed performing with Basso this week. They played to a large audience, who loved listening to a wide variety of tunes.

Congratulations!

A huge well done to our under 14 football teams who finished the season in 2nd and 3rd place. A fantastic season enjoyed by all.

Classroom News

KS1

Everyone in Lower Primary had an absolutely fantastic Sports Day this year. All of the children joined in with great enthusiasm and we were so proud of each and every one of them.

It was lovely to have the children's families join us for the events and really embrace the day.

Thank you to everyone who joined us

KS2

2G have worked hard in Arts Award learning about the artist Claude Monet. They have chosen their favourite painting, recreated their own version on Purple Mash as well as making 3D lily pads. They look fabulous! Hope you like them too.

KS3

In Humanities 3J have been learning about hurricanes and have been especially interested to watch what has been happening with hurricane Beryl in Jamaica. Pupils have learnt how hurricanes are formed and made models to help them understand the flow of hot air and water. They also had fun trying to make hurricane patterns in bottles.

KS4

In 4W pupils have been working on using their bodies to show emotions. They worked in groups to perform mimes, where pupils had to identify what was happening in the mime from the way they used their body and facial expressions.

Our Sixth Formers have been busy in the Oracle garden creating a sensory living wall. They have used recycled materials such as old wellies to create an Eco work of art!
