We have had a brilliant first week back after half term. Pupils have enjoyed all of their independent learning activities this week including kinetic sand, slime, building towers and using play dough cutters. Pupils have been working hard to explore each area.

KS2

2H have been very busy this week. They have started to learn about multiplication and division. Pupils had lots of fun counting in 2's, 5's and 10's, especially when counting to 500 in 10's! They have also been learning about sharing the counters into equal groups.

Pupils also always enjoyed a trip to the library, where they chose some books for Miss Burch to read to them during one of their reading lessons.

KS3

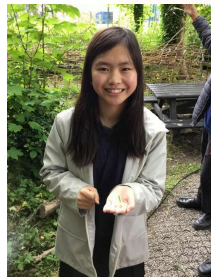

In RE we have been learning all about how different religions celebrate 'Coming of Age'. Pupils have enjoyed learning about the Confirmation and Bar/Bat Mitzvah services. This week we learnt about how modern culture celebrates Coming of Age by learning all about a Sweet 16 celebration! Pupils really enjoyed taking Sweet 16 themed selfies in the photo booth and planning their dream 16th birthday party!

KS4 ¹/₂

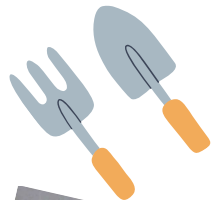

Class 4S have been outside in the Forest School for their Maths lesson to support their work on fractions. They enjoyed gathering items from nature and finding halves and splitting them into equal groups.

4S also had the opportunity to try some new food in humanities this week! They tried different foods and told us if they were British or Chinese food. They all thoroughly enjoyed it

KS5

Our KS5 students have been very busy with volunteering as part of their Preparation for Adulthood curriculum. They have been focusing on cleaning the Cafe at Watson road park, tidying up our bin store, making raised beds and working in the garden. They have all worked very hard. Everywhere looks spotless!
