

Congratulations

to classes 1B, 1C, 2M, 3T and 4S for 100% attendance this week.

Whole school attendance is 92.4%

Congratulations to Miss Worrall and family on the birth of their beautiful baby girl. Mum and baby are doing well.

We would like to welcome Mrs Topley and Mrs Whiteside who have joined the support staff team. Mrs Topley will be working with 2G and Mrs Whiteside will be with 2H they have both enjoyed their first week.

Also a warm welcome to Miss Searle, Miss Beaumont and Miss Milligan who will be supporting classes in school.

Sky Dive for PCA.

You may have heard on BBC Radio Lancashire today that Lottie's cousin is raising money for our school by jumping out of a plane at 15000ft on her 16th birthday. This money will help fund a range of different trips, activities and resources for our school. If you would like to donate please see the link below.

Building update

Work has got underway on the new Sports Hall over the Easter break. The children have enjoyed watching the foundations being dug this week and were particularly excited when they came and poured the concrete in.

Blackpool Elmer Parade 2024

For eight weeks Blackpool will be home to over 60 Elmer sculptures, all uniquely designed by artists from across the UK, as well as local schools and community groups.

This is a free art trail and the sculptures are all around central Blackpool until 9th June before coming together in one room for a special Farewell Event.

You can find and collect Elmer sculptures across Blackpool using the app. You will unlock exciting rewards and milestones along the way. Elmer <https://elmerblackpool.co.uk/app/>

Can you find Eden the Eco Elmer, Park Community Academy's Elmer on your travels?

JOB**

Classroom News

KS1

Students in 1P observed our construction site and showed a strong interest in the machinery and workers constructing our new sports hall.

In the classroom, we have been nurturing this interest by sharing stories, building structures with construction blocks, and engaging in creative activities to further enhance their learning experience.

KS2

2R have all come back refreshed after our Easter break. In English this week, we have been working really hard on our handwriting and we have ALL made super progress. We have also been looking at good and bad characters. As part of our EHCP targets, we are working on our independence skills and have impressed our teachers by completing a sorting activity in groups; helping each other, taking turns and discussing our thoughts ALL without adult support. We are all very proud of ourselves.

Let's
Grow
Together

As part of their Humanities topic, 3A were excited to see the sunflowers, broad beans and wildflowers have grown over the holidays! They have been learning how to take care of the plants as well as naming the parts of the plants. 3A are proud to know they have contributed to our Green Flag Award due to be renewed this year!

KS3

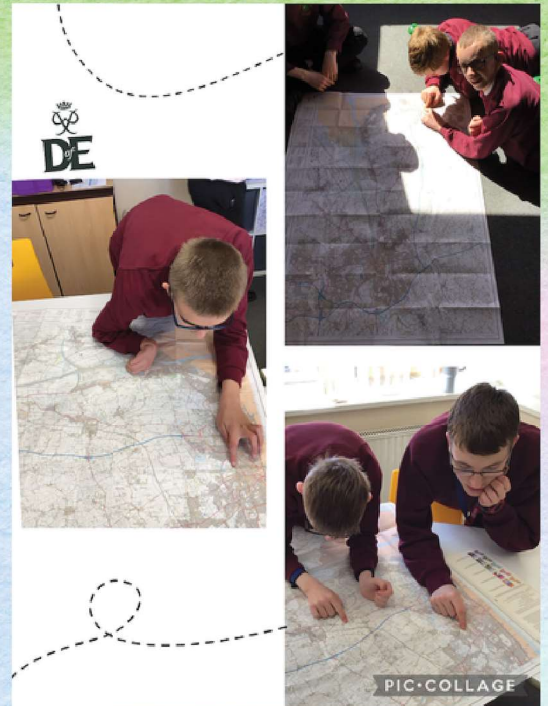

KS4

Pupils in 4M have begun their final preparations for the Bronze Duke of Edinburgh expedition.

Pupils started by learning valuable map and orienteering skills. These skills will be put to use when the students embark on the expedition later in the year. Students will also be looking at how to pitch a tent and how to cook their own dinner in an outdoor environment.

KS5

Our Sixth Form volunteering group have been working hard. They made sure they had the correct PPE on and worked together as a team to clean up the area around the Oracle.
