# Classroom News

## KS1

1C really enjoyed playing and exploring the snow outside on Tuesday. 1C loved making and seeing footprints in the snow.

Some of 1C even enjoyed picking up the snow and were supported by an adult to roll a ball to make a snowball.

## KS2

2A have had lots of fun exploring money in their Maths lessons. They have been identifying all the coins and notes, looking at their value and finding the equivalent value in other coins. They sorted all the coins into their values and counted in multiples to find the total of Mr Brannigan's loose change collection tin.

They earned a reward because they counted so accurately.

# KS3

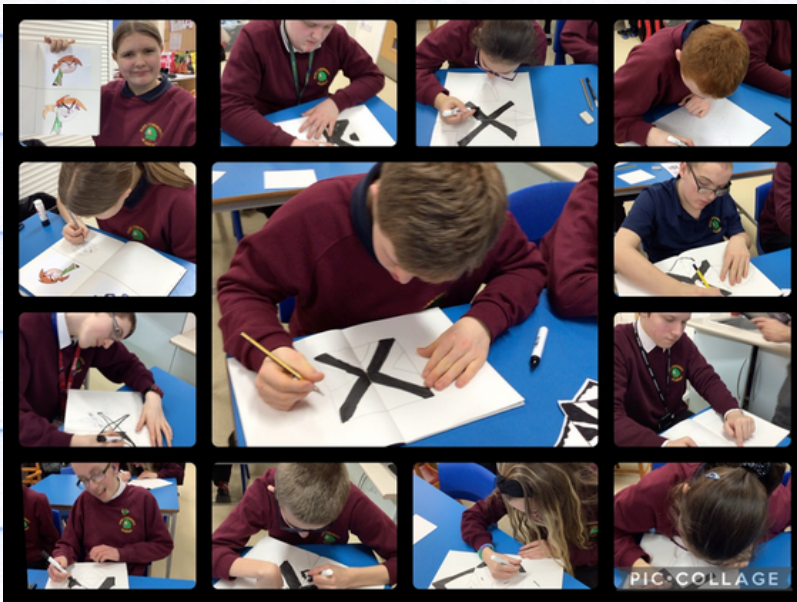

## Book Buddies

3J and 2B have started a 'Book Buddies' scheme. Each week some of 3J's students visit 2B to listen to some of them read. They enjoy helping the younger pupils and giving out stickers for good reading.

# KS4

This week in Art, 4M have learnt about Japanese Notan pattern prints, they then developed lots of different ideas and started work on creating their own version. Faith and Jason have worked really hard with preparing for their upcoming GCSE art exam designing characters.

# KS5

Sixth form students have been preparing fresh soup and bread for lunch. They have used surplus ingredients provided by Marks and Spencer's making a delicious mushroom soup and a vegetable soup for all to enjoy!
