# Star of the Week

1C - Dakota for brilliant 'looking' in circle time when learning about faces. You enjoyed watching Miss C use shaving foam to make a face, adding eyes, nose and a mouth. You showed great attention skills for up to 3 minutes.

1P - Renzo for counting 5 different objects.

1S - Reggie for listening and following instructions so well this week.

1B - Jayden for building the confidence to use his big loud voice during Phonics to sound out 'm' and 'a'.

1H - Jake for fantastic self regulation.

2H - Joshua for being an all round superstar- your work has been fantastic this week!

2M - Amber for her beautiful forest story setting.

2B - Lorenzo for amazing answers in class discussion in our English lessons this week.

2R - Lucas for great contributions during discussions.

2G - Isobel for moving up a group at swimming and always trying her best.

2W - James for working his socks off contributing to discussions/answering questions in Maths and Humanities lessons.

2A - Archie for outstanding knowledge in Science when learning about animals!

well done

## KS1

In 1C we have been learning about rain. We enjoyed sitting under our umbrellas listening to the rain. Our key words were rain, down, you, and noise. It even rained on our teddy bear! We watched the rain fall from different heights.

What a week in 2R! In Arts Award, we are learning all about Pop up Cards. We had to use good listening skills and demonstrate resilience and patience to achieve our end result. We all worked extremely hard and created some super pop up frogs!

# KS3

Year 9 pupils have had a fantastic and jam-packed 3 days in York! We've been to the The Castle Museum, Railway Museum, Chocolate Story, Jorvick Centre, Riverside cruise and firm favourite- Pizza Hut and bowling! Pupils have been brilliant examples of our PCA Way, we are very proud of them!

# KS4

4W have been studying environmental awareness in Humanities. They have explored how humans harm the environment and their discussions highlighted that emissions pollution, littering and noise pollution have the biggest impact on pupils in their class. They set to work, thinking about how they could help reverse these environmental issues. This week they have created posters to educate people about littering and role modelled how to look after the environment by taking part in a litter pick around school.

# KS5

5I have been running a weekly tuck shop at break time. They have stocked, run and cashed up their takings as part of their Enterprise and functional Maths lessons.
