

Park Community Academy

Class 1B Animals Topic (Farm Animals) Summer Term Home Learning Activities SET 8

<p>If you want to share what you've been doing with your teacher you can send them a photo, video or write to them at: 1B@park.blackpool.sch.uk</p> 	<p>Don't forget to use your: Bug Club, Education City and Discovery Education Espresso Keep checking our 1B class blog as well for more ideas.</p> 
<p style="text-align: center;">Literacy</p> <p>Watch Mr Tumble introduce farm animals here: https://www.youtube.com/watch?v=C0xcsW3oO-Y Have a go at singing 'Old Mac Donald had a farm' and see if you can fill in the animal sounds after you say the animal.</p> <p>Listen to the story 'What the Ladybird Heard' here: https://www.youtube.com/watch?v=Eu9mPX7DuLA</p> <p>Can you answer the following questions about the story: What sound does each animal make? Where do the animals live? What are the two bad men trying to do? How do the animals stop the two bad men from stealing the cow? What happens to the two bad men?</p> <p>In the story, there are lots of rhyming words - these are words that sound the same. You can find rhyming words by playing the game here: https://new.phonicsplay.co.uk/resources/phase/1/cake-bake (Username: march20 Password: home)</p>	<p style="text-align: center;">Maths</p> <p>Sorting animals - can you build pens for your toy animals at home? Then put all animals that are the same in each pen e.g. all the pigs in one pen. It doesn't matter if you don't have enough animals for this - you can use cars, dinosaurs or whatever you have at home!</p> <p>Ordering - look at the words- shortest, tallest, smallest. Have a go and ordering toys and teddy's using the words above.</p> <p>Complete activity 1 by following the link below. http://resources.hwb.wales.gov.uk/VTC/the_zoo/eng/Introduction/mainsession1.htm Were you able to order the animals correctly using the words above?</p> <p>Have a go at finding and counting the farm animals in this interactive game: https://www.sheppardsoftware.com/preschool/animals/farm/animalfarmgame.htm</p>

Understanding the World

The Life of a chicken - Let's have a look at the life of a chicken. First of all the chicken lays **an egg**. The egg must be kept warm and safe. Then after a while the egg begins to crack and the baby is called a **hatchling**. When the bird leaves the egg and begins to grow it is called a **chick**. The little chick eats lots of nutritious food and grows up to be a big **chicken**.

Can you have a go at drawing the different stages with someone at home? Can you think of other farm animals and how they grow to be big and strong? How about a cow or a sheep.

The Farmer - The animals wouldn't stay healthy and safe without the farmer looking after them. The farmer is a very important person on the farm. The Farmer has so many jobs to do and gets up very early to make sure they are all done. Can you think of any jobs a farmer needs to do every day?

Feed the animals **Clean the pens & beds**
Cut the grass **Mend the fences**

Milk the Cows **Shear the sheep**
Collect the eggs

Be a farmer and make your own farm follow this link

Physical Development

Yoga time

Let's get stretching like the animals on a farm!!

Follow this link for some great fun
<https://www.youtube.com/watch?v=YKmRB2Z3g2s>

Quick the sheep have escaped!!! - Sometimes the animals get out of their pens and run all over the farm! Ask a grown up if they can hide 10 of your toys around your home or garden and see if can find them all and return them to their pen. Be quick though we don't want a fox to catch them.

Sneaky fox - This is a fun game for 2 or more people. One person has to be the fox and the others can be different farm animals. The fox must stand facing a wall and all the other animals need to quietly sneak towards the fox and touch the wall before the fox hears you. Don't get caught!!!

Expressive Arts and Design

Create your own farm animal windsock. Draw, paint or stick your chosen animal on to a piece of card, roll it into a cylinder shape and stick down before adding some streamers to the bottom.

Follow the link and to join in with the dancing to 'Old Macdonald.'

https://www.youtube.com/watch?v=nBliRY3ad_U

Why not have a go at making your own farm animal puppets? You could then do a puppet show for the people in your home.

Personal, Social and Emotional Development

Follow this link to watch a clip of how farmers care for the farm animals and watch how to milk a cow.
<https://www.bbc.co.uk/bitesize/clips/zs97tfr>

Now you've watched how to care for some animals, why not have a go at looking after your own pet?
<https://www.bbc.co.uk/cbeebies/games/my-pet-and-me-game>

Remember how important it is to wash your hands after touching animals and before and after handling food, even more so at this present time. Keep up the good hand washing and sing along to baby shark whilst you are doing it!

<https://www.youtube.com/watch?v=L89nN03pBzI&vl=en>

Can you create your own farm using different objects and materials from around your home? You could then play 'farms' alongside someone you live with, remember to share and take turns with the animals.
