

Design and Technology challenge

Design and make your own game to enjoy with your family!

What can you make?

Cardboard Tubes

Ring Toss

- Cut and colour paper plates.
- Stick tube to piece of card.

Marble Run

- Cut tubes to correct size.
- Connect together.

Ball Drop

- Hole punch the tube
- Cut straws to the correct size and put through holes.

Board Games

Make your own board game – could it be themed on Blackpool or one of your favourite places or just use your imagination, make up your own rules, make your own counters. Enjoy playing with the whole family.

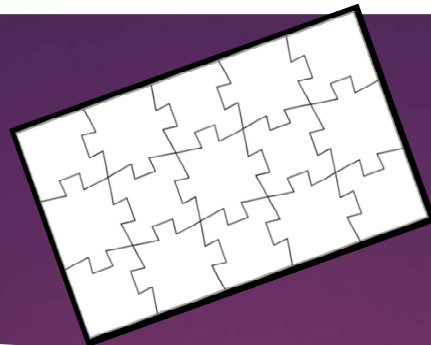

Plastic bottles

Cup Catch

- Cut the top of a bottle off.
- Decorate the outside with paint, stickers, tissue paper etc.
- Tie a ball/lid/blutak ball to a piece of string and attach it to the lid to the bottle.
- Let the game begin!

Jigsaw

Jigsaw

- Draw a picture, paint a picture or use a picture from a magazine or photograph.
- Draw your jigsaw pieces on top of the picture.
- Using scissors carefully cut into different shaped pieces. The smaller the pieces the trickier it is.
- Muddle the pieces up and complete your jigsaw.
- Challenge a family member to complete your jigsaw.
