6th January 2021

Dear Parents/Carers

I am writing to thank you for all your understanding and support during this challenging time. It is certainly not how I was planning to start my Headship at Park Community Academy!

Yesterday, you will have been contacted by your child's class teacher to discuss how we can most effectively meet the needs of your child and your family. Those families requesting face-to-face education for their child will now have been offered provision and it has been lovely to see approximately 100 children in school today.

Please be assured that we have fully revisited our risk assessments and feel that under the current lockdown restrictions we can safely welcome this number of children and young people across the school site.

Families requesting home learning will be contacted this week by your child's class teacher to discuss what has been provided and to support you in delivering this. However, please do not hesitate to contact school if you are having any difficulties with this or you would like to discuss accessing some face-to-face education.

The school will be taking part in the National Testing Programme for staff and all secondary age pupils and further will be sent out shortly.

Please do not hesitate to contact me should you have any queries going forward. Your support is, as ever, very much appreciated.

Yours sincerely

Mrs G Hughes
Headteacher
