Date: 11th January 2021

Dear Parents/Carers,

We would like to reassure you at this unique time, that plans are in place to support your child's learning and development should they be absent during this difficult period.

Your child can continue to access learning via the digital performances that school subscribes to which include the following:

Bug Club (phonics, reading and comprehension activities)

RMeasimaths (Maths activities set at a level appropriate to your child)

Education City (variety of curriculum resources and activities)

Frog Play (variety of curriculum resources and activities)

Discovery Education – Espresso (variety of curriculum resources and activities)

If you require another copy of your child's username and password, please let their teacher know.

In addition to this, a website called TWINKL can also be used to access ideas and resources. This website is frequently used in school to support teaching and learning. You can access this by following the web address: [www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) where you will find lots of activities for all curriculum areas.

As well as accessing the remote learning on Google Classroom or work packs provided by PCA, we encourage you to consider a variety of fun activities and learning opportunities that can be carried out at home. A list of these can be found below, as well as via the school website under the tab 'Home Learning 2021'. A variety of additional educational websites are also available on the school website under the tab 'Home Learning 2021'.

Thank you for your help and support at this time.

Mrs G. Hughes  
Headteacher

Mrs K. Emsley  
Assistant Head & SENCO (Secondary Dept)

**Registered Charity No 1091560**

Limited Company Registered by guarantee, registered in England No: 08597962
