## Lower Primary

1H have been working on an international school project and this week they had a Skype call with a school in Syria. They asked the pupils all about deserts

and what animals and plants live there. The pupils in Syria asked 1H questions about where we live. They told them about Blackpool being a seaside town and that the weather can be warm in the summer and cold and wet in the winter. They told them about all the seagulls they see on the promenade and also sent a video clip of the sea in windy weather.
