SEND Local Offer for Health

The School Council have been busy helping design the 'Health and Social' section of the 'Local Offer' website with visitors from Healthwatch Blackpool, who have also held a parent zoom meeting for parent/carer views.

If you were unable to attend the zoom, please fill in this short survey on <https://forms.office.com/r/ZVZhXDSR0B>

Upper Primary

2B have explored photography this week. Look at the fantastic photos they have taken!

Lower & Upper Primary Stars of the Week!

1B - Shaniya for fantastic communication in all areas of learning this week.

1P - Tobylee for having great imagination in the role play area.

1C - Brentley for always listening to his teachers and taking part in super singing of the days of the week song.

2B - Shania for improving her sentence structure and understanding of forming sentences.

2HD - Kenzie for amazing reading.

2M - Michael H for his comparison of Victorian holidays in the past and holidays now.

2HY - Kaylum for his persistence and positive attitude at swimming this week.

2H - Madison for playing nicely with her friends at playtime.

2C - Louise for her super effort in English this week.

Sign of the Week

This week's sign is 'football' to celebrate the Euros.

We hope you cheer your team on over the weekend!

Key Stage 5 (WSFC)

This week KS5 students have been busy with their NCS qualification.

They were lucky enough to be working with Royal Marine Commando, David Fairbrother, who set them a series of challenges to develop their team work.

Lower Primary

1C have been learning about days of the week.

The children listened to the story Paco's Pocket, and enjoyed identifying objects in Paco's Pocket each day of the week.

The children have enjoyed rote chanting the days of the week and ordering them. Super work 1C!

The Best Class Attendance of the Week

CONGRATULATIONS

to classes 2B, 3G & 3W who had 100% attendance this week.

Weekly Attendance - The average weekly attendance this week is **93.4%**

Key Stage 3

Pupils in 3GR have been building rockets in their Science lesson. Last week they drew their designs and planned materials to use, and then this week they spent time putting them together.

Next week, they are going to try and get them to take off!

Watch out NASA!

KS4 DofE

4H pupils have been busy this week painting some fabulous designs onto their flowerpots for the outdoor learning area as part of their DofE qualification. Pupils could choose any idea, but Aaron wanted to create Henry Hoover! We can't wait to see everyone else's ideas when finished!

KS4/5 'Achiever of the Week'

- 4H - Victoria for completing a great Maths assessment.
- 4W - The whole class for showing resilience and coping well with the changes this week.
- 4M - Sophie for demonstrating beautiful manners all week.
- 4I - Jermaine for joining in a messy Science experiment and thoroughly enjoying it (nominated by Corey).
- 5T - Adam C, Jake, Robert, Chloe, Jack H, Christian, Jack P and Samuel for successfully completing the expedition for the D of E Silver Award. Well done!
- 5C - Jake M for a fantastic week, taking part in survival activities on the NCS course.
- 5P - Joanna for working really hard and having a mature attitude on her work experience.
- 5B - All of 5B for their hard work planning, preparing and organising the gardening exhibition. Well done.

Key Stage 3 'Achiever of the Week'

- 3G - Jacob for super Kandinski art work and being mature at the sleepover.
- 3T - Archie for telling the class different news this week.
- 3W - Adam for being a great role model and always using his manners.
- 3S - Jordan C for incredible commitment in learning how to play the trumpet.
- 3GR - Stann & Jorja for blowing us away with their first practice of the Summer production.
- 3J - Jenna for having a very mature attitude to learning.

Key Stage 4

Pupils in 4M have been learning about how to monitor income and expenditure when running a business as they launched their own Subway store. They used a spreadsheet to calculate whether their stores earned a profit or loss through annual sales of their own sub sandwich creations!

KS5 Gardening Exhibition

5B have planned and organised a whole school gardening exhibition. Classes from all key stages have visited the trailer display and the garden tour. QR codes and ipads were used to show pupils' timelapse videos of how different plants grow.

The Sixth Form students have also been doing some enterprise, selling hanging baskets and flowers to staff. It was lovely to see them showing off their fantastic work in the garden.

Dates for your Diary

- Friday 25 June - Year 11 leavers date
