Christmas Coffee

Morning

Thank you to everyone who supported the Christmas Coffee Morning today at Westbury Sixth Form Centre. The event was a great success and we raised a total of **£522** for Brian House Children's Hospice.

Well done to Josh (5P) who won the raffle 1st prize - a family ticket to a show at the Winter Gardens, and Mirabelle (5T) & her Grandma who won the hamper as 2nd prize.

Lower Primary

Santa has been leaving video messages each day to the children in 1P. It has made the children very excited to come to school to find out what Santa is going to say and see all the magic in his Winter Wonderland. Santa knows so much information about the children, including their name, age, members of their family, their friends in class and how well they have been behaving. He also has lots of pictures of them doing fun things at school that he talks about during our videos.

Upper Primary

2H had a visit from Coco in their communication lesson. Using treats the pupils were able to use the commands "sit", "lie down" and "speak".

Key Stage 3

As part of Geography this week, 3W have been exploring where our toys come from and the environmental impact this can have. The

pupils identified that most toys we have are made of plastic and the problem plastic is causing to the environment. Jorja knew about the dangers they cause for wildlife and Brady discussed how we waste a lot of plastic. They thought as a class about how we can reduce our use of plastic and thought that using reusable carrier bags and reusable water bottles, rather than ones we use once and throw away, would be a good place to start.

A small change can make a big difference!

The Learning Mentors have had a lot going on this week. They have taken a group of students to Blackpool Victoria

Hospital to be navigation volunteers showing patients to their appointments. They have been to an Anti-bullying Conference to provide our anti-bullying ambassadors with information on how to tackle bullying in school.

Their reading sessions with Coco have been going really well also, where students will read their school books to Coco. Coco loves hearing a good story!
