

## Leading Parent Partnership Award

Park Community Academy is working towards achieving the Leading Parent Partnership Award. The Award is a nationally recognised award.

**We will work towards meeting 9 different objectives before we can achieve the award. The 9 objectives are as follows:**

- The school demonstrates a commitment to work towards the Leading Parent Partnership Award.
- The school makes and implements effective plans to achieve and maintain the Leading Parent Partnership Award.
- The school is a welcoming communicative and friendly place for parents.
- The school promotes the awareness and participation of all groups of parents in supporting their children's learning and developing their own learning. In addition, the school holds and actively promotes a programme of opportunities and events for joint parent and child participation.
- The school provides a good induction for all new parents.
- The school provides parents with relevant and user-friendly guidance and information to help them support their children's learning.
- The school produces and implements parent friendly policies to establish effective home school links and to improve children's attendance, punctuality, progress and positive participation in school.
- The school provides good support for all parents as their children move through or leave the school.
- The school summarises its achievements against the Leading Parent Partnership Award objectives and outlines its future plans.

An external advisor will assess PCA to achieve the award.
