

Why come to a Drop In?

Our drop in clinics are an opportunity to call in for a brief chat about any concerns and to get some advice. Please use the guidance below to help you decide whether to make a referral or attend/recommend the drop in

Come to a drop in	Refer a child to speech and language therapy
Mild Speech Clarity concerns (Speech sounds)	Significant concerns with clarity of speech
Mild - moderate Language Delay	Significant concerns with use and understanding of language
Stammering – children up to age 7 (consider parent only)	Social skills / Interaction
Quality of voice	Stammering – 8 years +
Attention and listening	Attention and listening and Auditory Processing

A child must attend with a parent or person with parental responsibility. If this is not the case, the adult attending must bring the signed parent information form giving consent. A parent may wish to attend without the child to discuss concerns—this is fine!
