

Departmental CEIAG Plan 2023-24 – Art, Craft & Design

	Activity	Outcome
All	Careers Board	The Art department has a careers display in the classroom, accessible to all, showcasing possible careers for those who follow an Art, Craft & Design pathway. This may be a result of specialising in such areas as Fine Art, Textiles, 3D Design, Photography or Graphic Design.
	Careers Week	All subjects will participate in Careers week, delivering CEIAG information as part of lesson content such as qualifications required, skills required, job description, salary and career prospects. Pupils here are directed to our school Careers Advisor.
	Apprenticeship Information	Posters are displayed and referenced in the Art classroom in order to signpost pupils to apprenticeships such as Art Therapy, Junior Animator, Storyboard Artist as future career opportunities.
KS3	Preston College	Pupils who are choosing GCSE Art, Craft & Design will be taken to Preston College to experience a Photography workshop which is part of the 2 year level 3 course. Hands on experience to work with college tutors and learn about college course. (Details to follow- Summer Term)
KS4	Runshaw College	Drawing workshop given some GCSE Art pupils the hands on experience to work with college tutors and learn about college course (A level). (Autumn term)
	Preston College	Photography workshop for GCSE Art pupils. Hands on experience to work with college tutors and learn about the Art & Design Level 3 college course (UAL). (Details to follow- Summer Term)
