

Departmental CEIAG Plan 2023-24 - Science

Year Group	Activity	Outcome
All	Careers Board	Science have a careers board in our subject area.
All	Career's Week	All subjects will participate in the National Careers Week. Subjects will be expected to deliver CEIAG information related to their subject in every lesson during the week.
All	Science specific careers fair (January 2024)	Pupils of all years attended a science specific careers fair. Local colleges, universities, employees (e.g. Leyland Trucks, Rosemere Cancer Centre, Forensic department Lancashire police, Nuffield Health) attended and spoke to pupils about career opportunities within science subjects. The aim was to expose pupils to the vast variety of careers available within the sciences.
All	Science and Engineering Week (March 2024)	During this week activities will take place to encourage participation in the STEM subjects.
Year 7	Science Club	To encourage pupils to make links between Maths, Science and Technology. Pupils who take part undertake a number of projects to raise awareness of innovations and careers within STEM. We plan to take STEM pupils on a trip to a local power station to provide them with an opportunity to see how it operates and the types of jobs available.
