

Our Conference Suites

Penwortham Priory Academy offers two conference suites, each providing a practical base for meetings, interviews, seminars and training events for any professional organisation.

Our most spacious conference room can comfortably accommodate up to 56 delegates, with the smaller room up to 25, depending on room configuration. Both facilities boast the latest conferencing technology with professional ICT technicians on hand to support your technical requirements.

The bright and airy rooms benefit from natural light and are stylishly furnished; both overlooking our award-winning gardens. Delegates may like to extend into our private courtyard and rose garden during clement weather and enjoy refreshments on the outdoor seating.

Our friendly office team will meet and greet your delegates and will be on hand throughout your visit. Catering is freshly made on site to your requirements alongside our infamous complimentary* hot beverages.

*Full day bookings carry an additional fee of £3 per person for unlimited tea and coffee.
