# Our Conference Suites

# Our warm welcome...

---

With a convenient location and easy access, Penwortham Priory Academy offers two conference suites - each providing a practical base for meetings, interviews, seminars and training events for any professional organisation.

Our most spacious conference room can comfortably accommodate up to 56 delegates, with the smaller room up to 25, depending on room configuration. We can also offer separate break-out rooms and an interview room if required. Both facilities boast the latest conferencing technology with professional ICT support on hand to ensure any unforeseen technical hitches don't impact on your event.

The bright and airy rooms benefit from natural light and are stylishly furnished; both overlooking our award-winning gardens. Delegates may also take advantage of the private courtyard and rose garden in clement weather and enjoy refreshments on the outdoor seating.

Our friendly office team will meet and greet your delegates and will be on hand throughout your visit. Catering is freshly made on site to your requirements alongside our infamous complimentary\* hot beverages.

Your room will be set up according to your preferences prior to arrival and we can even have your digital presentation ready to go. Tables are easily manoeuvrable to enable dynamic changes throughout your event if required.

*"Just wanted to say that your team has been fantastic in helping me prior to my arrival and setting up today. Yesterday, the IT technician checked all links we needed to use so there were no issues accessing videos to support the training. Today, two ladies from the office and two gentlemen assisted setting up the room/accessing the IT. The IT technician also made an appearance to support some delegates who couldn't access the internet. Nothing was too much trouble from your team and I just wanted to acknowledge this as they were all so accommodating!"*

Lostock Hall Community Primary School

*"Penwortham Priory was fantastic - just a lovely training room (the teachers LOVED the coffee machine). The staff were amazing too."*

Abacus North West Maths Hub
