Learn to succeed

Citizenship Delivery

Citizenship is delivered in Learning for Life sessions at the end of every day. They are a block of lessons which are in Half term 6 for Year 7 to 10 and Half term 3 for Year 11.

At Priory, we use Oak Academy resources as our source to ensure high quality content

This document details all provision for pupils to learn and explore Citizenship characteristics and participate in activities.

National Curriculum Foci

Suggested KS3 Provision

Pupils should learn about:

1. the development of the political system of democratic government in the United Kingdom, including the roles of citizens, Parliament and the monarch
2. the operation of Parliament, including voting and elections, and the role of political parties
3. the precious liberties enjoyed by the citizens of the United Kingdom
4. the nature of rules and laws and the justice system, including the role of the police and the operation of courts and tribunals
5. the roles played by public institutions and voluntary groups in society, and the ways in which citizens work together to improve their communities, including opportunities to participate in school-based activities
6. the functions and uses of money, the importance and practice of budgeting, and managing risk

Suggested KS4 Provision

Pupils should learn about:

7. parliamentary democracy and the key elements of the constitution of the United Kingdom, including the power of government, the role of citizens and Parliament in holding those in power to account, and the different roles of the executive, legislature and judiciary and a free press
8. the different electoral systems used in and beyond the United Kingdom and actions citizens can take in democratic and electoral processes to influence decisions locally, nationally and beyond
9. other systems and forms of government, both democratic and non-democratic, beyond the United Kingdom
10. local, regional and international governance and the United Kingdom's relations with the rest of Europe, the Commonwealth, the United Nations and the wider world
11. human rights and international law
12. the legal system in the UK, different sources of law and how the law helps society deal with complex problems
13. diverse national, regional, religious and ethnic identities in the United Kingdom and the need for mutual respect and understanding
14. the different ways in which a citizen can contribute to the improvement of their community, to include the opportunity to participate actively in community volunteering, as well as other forms of responsible activity
15. income and expenditure, credit and debt, insurance, savings and pensions, financial products and services, and how public money is raised and spent
