

Trustees at Priory

**Kate
Jones**

Parent Trustee

I bring 25 years of diverse experience in the education sector to my role as a Parent Trustee at Penwortham Priory Academy.

My career has spanned vital leadership roles, including Head of PE, Inclusion Lead, SENDCo, and Lead Practitioner in Reading.

Currently, I serve as a Senior Leader in Education Development for Lexonic, where I lead on research, development, and the quality assurance of teaching within schools and Multi Academy Trusts.

My professional philosophy is rooted in the belief that no learner should be left behind and am a firm believer that every student deserves the support and high-quality teaching needed to reach their full potential.

Beyond my technical expertise in SEND and data analysis, I bring a highly collaborative approach to the Board. I pride myself on being an active listener and a strategic thinker; skills that allow me to provide the 'constructive challenge' necessary to support school leadership while ensuring accountability.

On a personal level, I am a keen sports person and have always valued the role that physical activity, discipline and teamwork play in a young person's development and mental well being.

As a parent with a son currently attending the school, I am fully invested in the future of Penwortham Priory and am proud to serve this community, combining my professional background with a personal commitment to seeing every one of our young people thrive.
