

Trustees at Priory

It is an honour to be a Member of Penwortham Priory Academy and be involved in the strategic direction of the school for the benefit of its pupils.

Although I am now retired, I bring over 43 years of education experience from my employment at Lancashire County Council. For most part this experience has been at a senior level and the last five years as the lead officer for Governor Services Training and Development following a successful career as a School Policy and Operations Officer. In addition, I am an experienced Chair of Governors at a local secondary academy and have also been a foundation governor at a primary voluntary aided school.
