

Trustees at Priory

I have lived in Penwortham for over 30 years having moved here to take up a post at what was then Lancashire Polytechnic.

Our son attended Priory and I am glad to be able to help lead the school as Chair of Trustees.

Before retiring I was the Director of the Library and IT Service at Manchester Metropolitan University. Prior to that I held a variety of roles in IT and Learning Technology in universities across the country. I have also been involved supporting colleges, schools and local businesses.

I hope my senior management expertise and my interest in the use of IT to enhance learning will help to make Priory a great place to learn and a great place to succeed.
