

# Trustees at Priory

**Sue Brown**

**Trustee appointed  
by the Members**

I am an ex-pupil of Penwortham Priory, being class of '76. My favourite subject was English!

After leaving school I held two positions in Preston before leaving to join the Army, completing my basic training in Guildford, Surrey in 1979. I served at the Royal Military Academy at Sandhurst and Bielefeld in Germany in a Staff Clerk role.

I met my husband, also a serving soldier and married in 1982. We have two grown up children and two grandchildren.

After my husband's service ended we returned to Preston and in 2000 I joined the NHS, initially working in recruitment until I gained a degree in HR Management. Having worked for Blackpool Primary Care Trust and Blackpool Teaching Hospitals I retired after 19 years service.

I am a qualified coach gained through Lancaster University and have used my skills to help people make career choices and move forward.

I have helped on PTF associations and served on other social committees.

I am an active member of the University of the Third Age (U3A), attending creative writing, poetry groups and drama.

As a trustee I hope I can help, support and be a positive role model for the pupils.
