

# Governors at Priory

**Peter  
Faulkner**

Staff Governor

I am a committed teacher with twenty-six years of experience. I have taught in a variety of schools: church school (four years), middle school (one year), international school – Kuwait (three years), two academies (nineteen years). I have held a number of positions of responsibility including Head of Department, Head of Faculty, Head of Year, Head of House, Assistant Head Teacher and Pastoral Deputy Head Teacher.

## School Governors

In the ten years as a member of senior leadership, I have attended and chaired a variety of governor meetings including sub-committee meetings on curriculum, pastoral and finance agendas. As Pastoral Deputy Head Teacher I was also a governor at Bolton Sixth Form College when it was transferring to new builds.

I am happily married to Sue Faulkner who I met flying out to Kuwait. Sue is Headteacher of Bolton School, Junior Boys Division. We have two children, Adam and Hannah.
