

14 September 2026

Dear Parent/Carer

Learning for Life Day 1 – Monday, 21 September

As you are aware, we deliver our Personal, Health, Social Education (which includes sex and relationships education) on five collapsed curriculum days throughout the year, when the normal timetable is suspended. We follow closely the national curriculum on these days, which includes a number of statutory (compulsory for us as a school) elements.

The topics we cover on these days include areas which will genuinely make a difference to the life choices your children make. We hope that this will mean that they will make positive, well informed choices which will lead to them becoming happy and well-rounded young people with high aspirations for themselves and others. We take our responsibility to educate our young people in a much broader sense (more than simply passing exams) very seriously.

As these days have so much vital material condensed into them, students who are absent will miss important information that could impact on future life choices which is vital to their wider education and well-being. As such, any child who is absent on a Learning for Life Day will need to catch this work up when they return.

The first collapsed curriculum day of this academic year, Monday, 21 September, will cover the following sessions:

Year 7 – Healthy Lifestyles

The importance of Physical Activity and a Balanced Diet. Strategies for maintaining personal hygiene, including oral health, and prevention of infection. The influence of the media. Sources of help and support for themselves and others.

Year 8 – Mind Development

Pupils will learn about mental health. How to maintain positive mental health and recognising mental health concerns. Pupils will learn about sources of help and support for themselves and others.

Year 9 - Diversity and Equality - Gender

Pupils will learn about Equality, Diversity and Legalities. Gender roles. Breaking down harmful stereotypes (to include misogyny).

Year 10 – Unhealthy Relationships

Forming and maintaining respectful relationships. Abusive relationship characteristics. End of relationships including the effects of change, including loss, separation, divorce and bereavement. Sources of help and support for themselves and others.

Year 11 – My Money

In preparation for leaving Priory pupils will gain an understanding of finances in the adult world and will learn about work-related finance such as tax and pensions. They will also learn about debt and how to avoid and deal with it.

Students should report to their Session 1 teacher in their designated Learning for Life classroom for the day (which is not necessarily their form room) for 8.40am. The day plan with rooming is published on their year group Teams for their reference. Form tutors will also notify pupils in advance.

Please note that on these days there is an early lunch followed by school closure at 1.10pm. School buses have been arranged for this earlier time.

If you have any questions, please do not hesitate to me.

Yours faithfully

Ms T Smith
Lead Practitioner for Personal Development
