

16 June 2022

Dear Parent/Carer

Learning for Life Day 5 – Thursday, 23 June

As you are aware, we deliver our Personal, Health, Social Education (which includes sex and relationships education) on five collapsed curriculum days throughout the year, when the normal timetable is suspended. We follow closely the national curriculum on these days, which includes a number of statutory (compulsory for us as a school) elements.

The topics we cover on these days include areas which will genuinely make a difference to the life choices your children make. We hope that this will mean that they will make positive, well-informed choices which will lead to them becoming happy and well-rounded young people with high aspirations for themselves and others. We take our responsibility to educate our young people in a much broader sense (more than simply passing exams) very seriously.

As these days have so much vital material condensed into them, students who are absent will miss important information that could impact on future life choices which is vital to their wider education and well-being. As such, any child who is absent on a Learning for Life Day will need to catch this work up when they return.

The fifth collapsed curriculum day of this academic year, Thursday 23 June, will cover the following sessions:

Year 7 - Financial Choices

Financial awareness. Use of money. Debt. Gambling. Sources of help and support for themselves and others.

Year 8 – Choices and pathways for the future

What is employment? What job do my skills work with? How can I prepare for employment? What is my inspiration? Sources of help and support for themselves and others.

Year 9 – Sexual Health - Prevent

Contraception safe use. Preventing Pregnancy. What are STIs? Preventing STIs. Sources of help and support for themselves and others.

Continued...

2.

Year 10 – Personal Safety

'Wasted Lives' with Lancashire Fire and Rescue. Dangerous Drink/Drug Driving. Knife and Gang Crime information. Knife and Gang Crime Law with Lancashire Constabulary.

Students should report to their Session One teacher in their designated Learning for Life classroom for the day, for 8.40am.

Please note that on these days there is an early lunch followed by school closure at 1.10pm. School buses have been arranged for this earlier time.

If you have any questions, please do not hesitate to me.

Yours faithfully

Tracey Hopes
Head of Learning for Life
