Dear Parent/Carer

### **Iceland Residential Visit (October 2027) - Parent Update & Suggested Payment Plan**

Thank you once again for securing your child's place on the Iceland 2027 residential visit. We are very much looking forward to taking our students on this unforgettable experience, and we hope they are already excited about the adventure ahead.

At this stage, there is nothing further you need to do. All places have now been confirmed and the next steps will take place over the coming months.

A Parent & Pupil Information Evening will be held early in the next academic year. This session will cover all key details about the visit, including full itinerary reminders, equipment and clothing guidance, travel requirements, spending money and expectations. The date for this will be communicated well in advance. In the meantime, I will keep you fully updated if any important information changes or requires your attention.

### **Payment Information & Suggested Schedule**

The total cost of the trip is £1460. A £150 deposit has already been paid, leaving a remaining balance of £1310.

### **The next payment to be paid via SCOPay is £220 and this is required no later than 3 June 2026.**

Following this, interim payments can be made at any time through SCOPay. However, the payment timeline below is strongly recommended to ensure the full balance is received before the final invoice deadline set by NST on 3 July 2027.

### **Suggested Payment Plan:**

£220 – 3rd September 2026

£220 – 3rd November 2026

£220 – 3rd February 2027

£220 – 3rd April 2027

£210 – 3rd July 2027

If you have any questions at this stage, please feel free to get in touch.

Yours faithfully
