Dear Parents and Carers

### **Outcome of Consultation on the Formation of our Trust**

I am writing to thank you for your engagement with the recent consultation regarding the proposed formation of our Multi-Academy Trust comprising Penwortham Priory Academy, Lostock Hall Academy and Penwortham Primary School.

The consultation period has now formally concluded. Throughout this time, we sought to provide clear information about our vision for the Trust and the opportunities it presents to strengthen collaboration, enhance educational experiences for our pupils, and ensure long-term sustainability for our schools.

We received a small number of responses across the three schools involved. While the level of direct feedback was limited, the responses received were considered carefully by leaders and governors, and no significant concerns were raised that would prevent us from progressing.

We remain confident therefore that the formation of our Trust will:

- Strengthen collaboration across our schools
- Support high-quality teaching and learning
- Ensure best outcomes for our young people
- Provide greater opportunities for staff development
- Ensure financial and organisational resilience
- Maintain the strong, inclusive ethos and identity of each individual school
- Meet the needs of the local community within which each school serves

As we move forward, we will continue to provide updates as necessary.

Thank you for your continued support of our schools and the important role you play in our community.

Yours faithfully
