Dear Parent/Carer

UNIFORM EXPECTATIONS - TROUSERS

I am writing to seek your support regarding our school uniform expectations.

Over recent days, we have noticed that your daughter is attending school wearing trousers that do not meet our published uniform requirements.

As a reminder, the school uniform policy states that students should wear:

**Black full-length straight-leg trousers, either flat-fronted or single-pleat.
(No drainpipe styles, skinny-fit trousers, flares, leggings or stretch Lycra material)**

Our uniform standards are an important part of creating a positive learning environment, promoting equality, and maintaining a sense of pride in our school community. We therefore ask all families to ensure that their child attends school in the correct uniform each day.

Please take the opportunity to check that any trousers purchased for school meet the requirements above. If your child is currently wearing trousers that do not comply with the policy, we ask that these are replaced over the weekend and your child attends school on Monday with appropriate trousers.

From Monday, pupils wearing non-compliant trousers may be asked to change into alternative clothing provided by the school or may face other sanctions in line with our behaviour and uniform policy.

We appreciate your support in helping us maintain the high standards that we expect of all our pupils. If you are experiencing any difficulties obtaining the correct uniform, please contact the school so that we can discuss how we may be able to assist.

Thank you for your continued support.

Yours faithfully

Mr N Gee
Assistant Principal
