09 November 2026

Dear Parent/Guardian

YEAR 7 MEGA DAY – THURSDAY, 12 NOVEMBER

On Thursday, we will be hosting a Year 7 MEGA Day in partnership with the MEGA Hub and the IN4 Group. Sixty students have been selected to take part this term, with further opportunities available to other students later in the year.

Throughout the day, pupils will take part in a range of engaging cyber, digital, and technology-focused activities. These sessions are designed to develop their confidence in using digital skills, broaden their understanding of the technology sector, and inspire them to explore future education and career pathways in this rapidly growing industry.

Not only is this a valuable work experience related opportunity, but it also allows us to mimic a working day by making some slight changes to our normal systems. The changes are detailed below - please note the changes to school uniform.

Day Plan:

8.30-8.40am	Year 7 'employees' can enjoy their usual refreshments in the canteen and make their way to the workplace meeting room (Assembly Hall) to sign-in with Mrs Qadri and Miss Gregson
8.40-8.50am	Their 'employers' for the day (MEGA Hub) will join us for a briefing detailing the objectives and outcomes for the day
Normal breaks and lunchtime in the workplace canteen within the day	
8.50-2.50pm	Work related activities – 'employees' will continue to refer to Priory staff formally as they usually would, but our MEGA Hub team leads can be referred to by first names as in the workplace. 'Employees' will be given details regarding the activities and locations on Thursday
2.50-3.10pm	Day de-brief and evaluation. 'Employees' will go to their normal locations as per Learning for Life. Sign-out

Dress code: Usual school shirt, trousers/skirt and school shoes. School tie or another tie borrowed from family or friends. No blazer or jumper.

Should you have any questions or would like to provide feedback following the day, please contact me at t.smith@priory.lancs.sch.uk

Yours faithfully

Ms T Smith
Lead Practitioner for Personal Development

Mrs S Qadri
Head of ICT & Computer Science
