Dear Parent/Carer

Greentech Games – CyberFirst MEGA Event – 5 February

I am pleased to inform you that your child has been selected to attend the CyberFirst Day at Brockholes Nature Reserve on Thursday, 5 February.

This event is designed to transform the way that students think about careers in computing. Transport by coach to and from the event at Brockholes Nature Reserve, has been provided by the event organisers. We will leave Brockholes Nature Reserve at 2.30pm and return to Priory hopefully in time for the school buses at the end of the day. However please be aware that alternative methods to travel home should be arranged if we are late due to traffic. Pupils will need to be in full school uniform and bring a packed lunch. If your child is entitled to a free school meal, they must order this through the catering team in advance. This will then be made available for them to collect before we depart.

The day will include immersive and inspiring activities led by some of the leading tech organisations from around the world. The goal of these events is to reach students at a pivotal moment in their education to change their perspectives on computing and to inspire the next generation of cyber-professionals.

Students will be able to:

- Spark their interest in technology careers
- Meet world-leading tech companies
- Hear from inspirational leaders in STEM
- Explore the latest innovations in areas including AI, cyber security, data science and robotics
