

13 May 2024

Dear Parent/Guardian

Year 10 End of Year Examinations

When your child returns after the May half term break, we will be conducting end of year exams for Year 10 in most subjects.

The end of year exams will take place under exam conditions but are not mock exams (mock exams will take place in Year 11).

These exams would ordinarily take place in the classroom however, we feel that the more experience pupils have of exams in the hall, the more prepared they will be when they sit their final GCSE exams in Year 11.

Year 10 has a very busy timetable after half term so if your child has a pre-arranged activity in school on the date of an exam, they will sit it during a catch up session on Tuesday, 25 June.

Attached is a timetable for reference.

We hope you will support the school by ensuring your child prepares for these exams by revising at home accordingly.

Yours faithfully

Mr N Gee
Assistant Principal

PTO
