Dear Parent/Carer

Year 11 Science Intervention

I am writing to you regarding Science support sessions, held each Monday 3:20pm until approximately 4pm.

Your child has been selected for targeted intervention in order to close knowledge gaps as they head towards their final exams. Based on the data collected from the recent Science exams, we have been able to identify which particular Science support is needed and will direct your child accordingly.

The sessions will be run as a normal lesson and therefore standard school policies and procedures will apply. I would be most grateful if you could promote this with your child and encourage them to attend for their best interest, however I understand if there are reasons on occasion why this is not possible.

If you have any questions or queries, please do not hesitate to contact me by email at d.bedford@priory.lancs.sch.uk.

Yours faithfully

Mr D Bedford
Head of Science
