Dear Parent/Carer

It's been lovely to welcome your child and I really hope they have enjoyed their first few days with us at Priory.

I will be your child's Head of Year. Your child's Period 5 'Learning for Life' teacher will be seeing them every day in the afternoon so will be another port of contact. I would suggest that you check your child's timetable for their teacher's name.

My email address is - r.bullock@priory.lancs.sch.uk

SCOPay Online Payments & VeriCool Catering Pre-Order System

SCOPay is our online payments system. A letter with instructions on how to set up a SCOPay account is enclosed. A letter regarding VeriCool, the school's new online catering pre-ordering system will be sent home with your child tomorrow.

Synergy

Synergy is an application that enables parents and carers to have an immediate overview of many aspects of school life, including behaviour, attendance and communication.

Once registered, parents and carers can view information tailored for their child(ren). The behaviour module provides a real time view displaying positive comments and points awarded as well as informing you where aspects of behaviour may be limiting progress.

A letter will be sent home over the coming weeks with a Parent Portal Code so that parents/carers can register for the application.

Tempest School Photograph Orders

On their first day at Priory your child had their portrait photograph taken. A proof of the photo, along with the order form, is now attached.

If you would like to order any images, please note that orders must be placed online, direct with Tempest Photography. **No money or order forms will be accepted in school.** To qualify for free delivery,

orders must be placed with Tempest by Fri, 11 September. After this date orders will incur a delivery charge.

TO ORDER ONLINE: Go to www.tempest-orders.co.uk and enter your unique 10 digit reference number and web access code as quoted on the order form.

All orders for Penwortham Priory Academy pupils, once processed, will be despatched in bulk direct to us to distribute. We will then sort through these and send them home via your child.

And finally, a reminder to return the signed ICT Agreement form which was issued yesterday.

I look forward to seeing your child flourish during their time at school and may they settle quickly into the Priory family.

Yours faithfully

Mrs R Bullock
