References in this policy to ICE and SC refer to the JCQ publications **Instructions for conducting examinations** and **A guide to the special consideration process**.

Purpose of the policy

The purpose of this policy is to confirm the arrangements for candidates who are absent from an examination at Penwortham Priory Academy.

An absent candidate may subsequently arrive once the exam is underway, becoming a late or very late arrival, at which point Penwortham Priory Academy reserves the right to exercise discretion whether to allow a candidate who arrives after the start of the examination to enter the examination room and sit the examination. (See **Candidate Late Arrival Policy**)

Based upon the circumstances for the absence, and subject to the required conditions being met, an application for special consideration may also be made to the relevant awarding body.

1. Identifying and dealing with candidate absence

A candidate will be considered absent from an examination if:

- The candidate is not present on completion of the attendance register once candidates are seated and have started the examination (ICE 22.5) OR The candidate is not present when a register is taken before candidates are invited to enter the room, under supervised conditions, to start their examination, etc.

Once a candidate is identified as absent from an examination, the following action will be taken:

- The candidate will be contacted immediately as to their whereabouts and as far as possible arrangements made to ensure their immediate arrival

If a candidate fails to sit an examination, the following action is taken:

- A confirmed candidate absence is clearly recorded on the attendance register which is sent to the examiner/marker
