

General Data Protection Regulation (GDPR) Privacy Notice for Pupils and their Families

Schools are currently required to inform pupils and their families about how their personal data may be collected and used. This requirement will remain once the General Data Protection Regulation (GDPR) comes into effect on 25 May 2018; however, schools will be required to revise their privacy notices to include further information on processing individuals' personal data, in order to be compliant with the GDPR.

Who processes your information?

Penwortham Priory Academy is the Data Controller of the personal information you provide to us. This means the school determines the purposes for which, and the manner in which, any personal data relating to pupils and their families is to be processed.

In some cases, your data will be outsourced to a third party processor; however, this will only be done with your consent, unless the law requires the school to share your data. Where the school outsources data to a third party processor, the same data protection standards that Penwortham Priory Academy upholds are imposed on the Data Processor.

Mrs C Barker is the Data Protection Officer. Their role is to oversee and monitor the school's data protection procedures, and to ensure they are compliant with the GDPR. The Data Protection Officer can be contacted on 01772 320250 or data.protection@priory.lancs.sch.uk.

Why do we collect and use your information?

Penwortham Priory Academy holds the legal right to collect and use personal data relating to pupils and their families, and we may also receive information regarding them from their previous school, Local Authority and / or the Department for Education (DfE). We collect and use personal data in order to meet legal requirements and legitimate interests set out in the GDPR and UK law, including those in relation to the following:

- Article 6 and Article 9 of the GDPR
- Education Act 1996
- Regulation 5 of The Education (Information About Individual Pupils) (England) Regulations 2013

In accordance with the above, the personal data of pupils and their families is collected and used for the following reasons:

- To support pupil learning
- To monitor and report on pupil progress
- To provide appropriate pastoral care
- To assess the quality of our service

Where consent is required, the school will provide you with specific and explicit information with regards to the reasons the data is being collected and how the data will be used.

How long is your data stored for?

Personal data relating to pupils at Penwortham Priory Academy and their families is stored in line with the school's GDPR Data Protection Policy, this can be found on the schools website.

In accordance with the GDPR, the school does not store personal data indefinitely; data is only stored for as long as is necessary to complete the task for which it was originally collected.

Will my information be shared?

The school is required to share pupils' data with the DfE on a statutory basis, this includes the following:

- Personal information
- Characteristics
- Attendance information
- Assessment & attainment information
- Information relating to Special Educational Needs
- Behavioural information
- Safeguarding information

The National Pupil Database (NPD) is managed by the DfE and contains information about pupils in schools in England. Penwortham Priory Academy is required by law to provide information about our pupils to the DfE as part of statutory data collections, such as the school census; some of this information is then stored in the NPD. The DfE may share information about our pupils from the NPD with third parties who promote the education or wellbeing of children in England by:

- Conducting research or analysis
- Producing statistics
- Providing information, advice or guidance

The DfE has robust processes in place to ensure the confidentiality of any data shared from the NPD is maintained.

Penwortham Priory Academy will not share your personal information with any third parties without your consent, unless the law allows us to do so. The school routinely shares pupils' information with:

- Pupils' destinations upon leaving the school
- The Local Authority
- The NHS & School Nurse
- Youth Support Services (Aged 13+)

The information that we share with these parties includes the following:

- Personal information
- Characteristics
- Relevant medical information
- Information relating to Special Educational Needs
- Safeguarding information

Once our pupils reach the age of 13, we are required by law to pass on certain information to our Local Authority or Youth Support Services, who are responsible for the education or training of 13-to-19-year-olds. We may also share specific personal data of pupils who are aged 16 and over with post-16 education and training providers and career services, in order to secure appropriate services for them. The information provided includes addresses and dates of birth of all pupils and their parents, and any information necessary to support the services, e.g. school name, ethnicity or gender.

Parents are able to request that only their child's name, address and date of birth are passed to the Local Authority or Youth Support Services, by contacting Miss E Diamond via email at data.protection@priory.lancs.sch.uk. Once pupils reach 16 years of age, this right is transferred to them, rather than their parents.
