Search for topics:

Enter topic name or code

Your curriculum:

GCSE

Default level:

Level 3

Select a topic:

Number

Algebra

Ratio and Proportion

Geometry

Level 1

Practise the basics of each topic at a gentle pace. Ideal if you plan to take the Foundation GCSE paper.

Level 2

Practise the basics of each topic. Ideal if you are aiming for the top grades on the Foundation GCSE paper.

Level 3

Practise the basics and try some more challenging questions. Ideal if you don't know which paper you will be taking yet.

# Pinpointlearning.co.uk

Pinpoint learning is a website we use to input the scores of each past paper into, this creates a list of strengths and weaknesses personalised to each person.

Pinpoint is more useful closer to the actual exams, once we have done both sets of mock exams, as we have more data.

Your teacher will show you this in class.
