## Living for Sport at Priory!

**This week we were delighted to welcome Commonwealth Games Hockey bronze medallist Charlotte Hartley to Priory.**

Charlotte visited us as part of the Sky Sports 'Living for Sport' campaign and held a two hour workshop with pupils, covering both theory and practical elements of sport.

As part of the workshop, Charlotte talked about her career, her beginnings in sport, important decisions she has had

to make and what life is like as a professional athlete.

She discussed with students how professional sports doesn't come easy and how sacrifices may have to be made, however if you love your sport, a career in it can be very rewarding.

Charlotte also went on to do some team building activities with pupils and overall delivered a fun packed, informative two hour workshop.

Thank you Charlotte!
